

DERBY NEW THEATRE ASSOCIATION

The community theatre groups in Derby continue to provide a wide range of interesting entertainment to very high standards. Please show your support to the many talented individuals who provide the musicals, pantomimes and plays advertised in this brochure.

The Derby New Theatre Association, a registered Charity, is an umbrella body that provides information, advice and assistance to these groups and also represents their interests to decision-makers. Our particular focus is on making sure that there is proper provision of performance spaces in Derby.

Anyone who supports amateur theatre is welcome to join the Association. Individual membership costs £12.50 – please send your subscription to our Membership Secretary:
